Let's Work Together!

Rep. Jean Berkey
38th District Representative

Dear Friends and Neighbors,

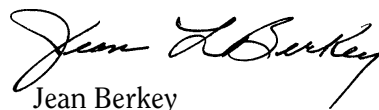

I'm Jean Berkey, your new state representative. I am honored to serve you and to fill the vacancy left by the late Pat Scott. I recognize the importance of working with the citizens of the 38th District to represent your needs and to maintain the quality of life we all enjoy.

I will work hard on the issues the district cares about:

- Transportation – to address the growing congestion and transportation problems created by population growth in the area;
- Education – to attract and retain the best teachers and provide every student the opportunity to study at an affordable technical school, community college or university;
- Health Care – to address the soaring cost of prescription drugs and make sure everyone has access to quality, affordable health care;
- Energy – to preserve the Northwest tradition of plentiful electricity at fair prices.

My assistant, Joan Aspaas, is also here to serve you. We consider it our duty to serve you in a professional and courteous manner, and look forward to your visits or hearing from you.

Sincerely,

Jean Berkey
